

# **Integrated Resource Plan**

**California Public Utilities Commission  
IRP Workshop**

**June 14, 2016**

# Introduction

**Public Input Process**

**Modeling and Analysis**

**Preferred Portfolio & Action Plan**

**Filings (March 31 of Odd Years)**

**Acknowledgement Process**

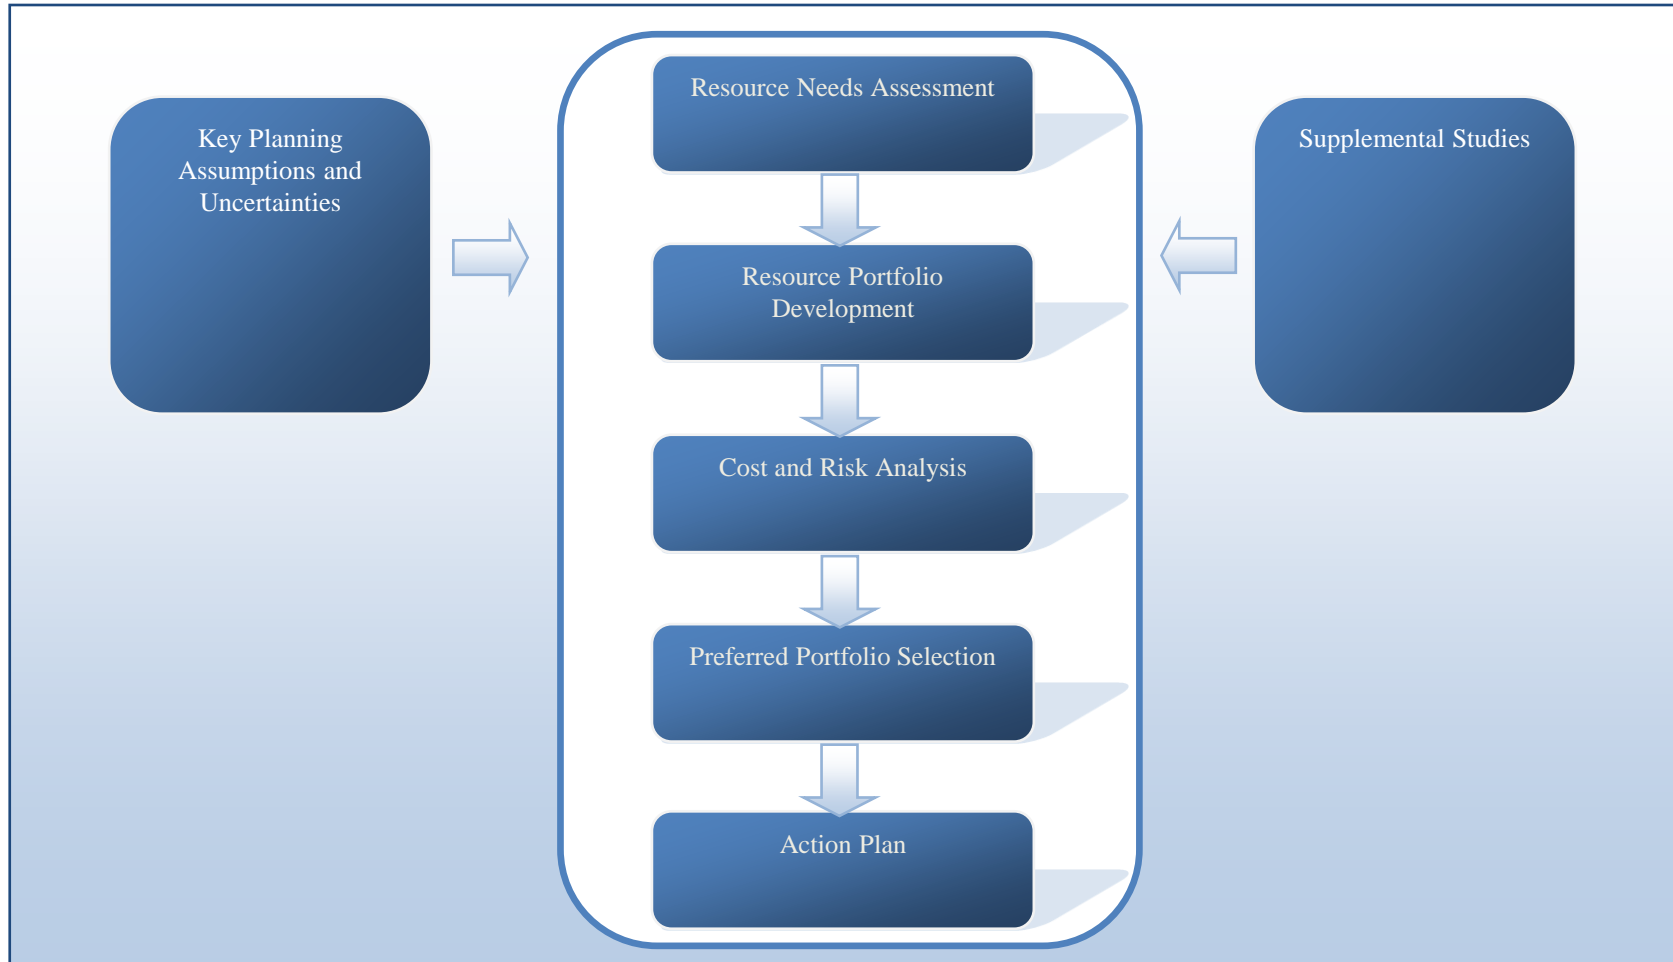

**IRP Update**

**IRP Update Filing (March 31 of Even Years)**

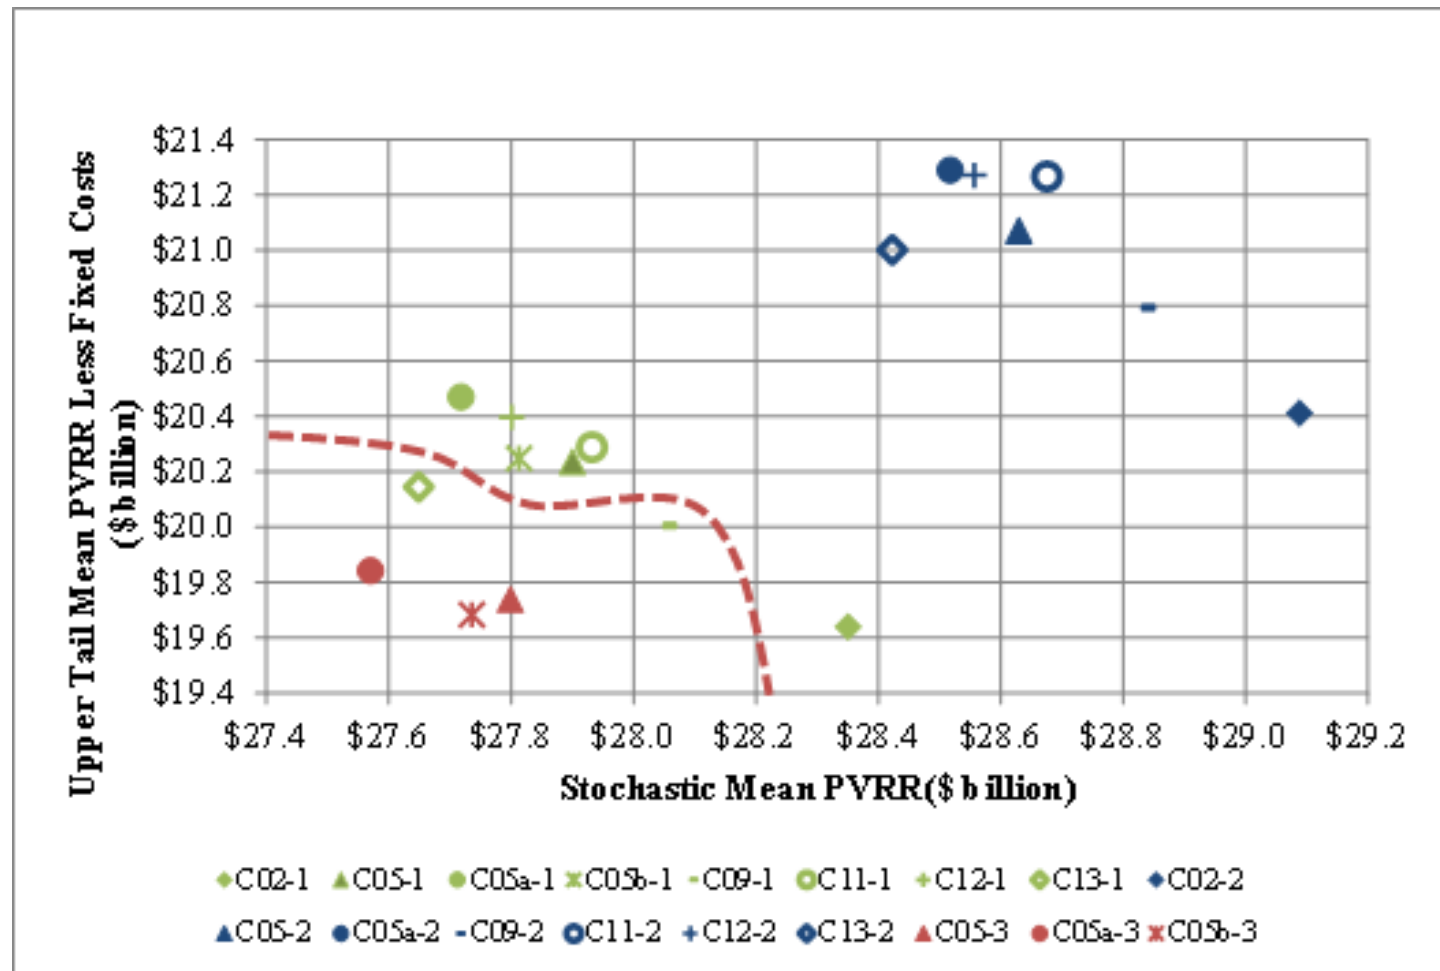

- The IRP is filed every two years
- An IRP Update if filed in “off-cycle” years
- PacifiCorp operates its system as a single system and develops one resource plan
- PacifiCorp produces its IRP, with opportunities for stakeholders to participate in a robust public input process

# Key Elements of PacifiCorp's IRP Process

# Cost and Risk Analysis

# Additional Information
